★ OUR NOTE

The studio half is the reason to come — smocks, real brushes, no craft templates. Educators here let children make a mess and clean it up themselves.

What the children do

A short look at two or three works, then a studio session in the education room. Sitting on the floor to look and talk, then painting or collage in the studio with materials borrowed from the current show.

Good to know

Washrooms
Beside the studio, change table

Accessibility
Elevator, wheelchair accessible

Lunch space
Studio tables if you finish by noon

Bus drop-off
Moss St., curbside only

Rain plan
Entirely indoors

Nearby
